

WORLD SKILLS SHOW LIVE
FRIDAY 16TH NOVEMBER 2018
Arrangements for the Trip

Transport

Students will travel to school by normal school transport and register with their form tutors in the usual way. We intend to leave school around **9.00am**. We shall be returning from the NEC at approximately **4.30pm** and students will be dropped off in the bus park area at the front of the college. **Traffic conditions may cause delays so this is only an approximate time.** If students normally travel home on the school bus then other arrangements will have to be made for transport home. We will ask students to keep parents updated via their mobile phones. Can we ask that you ensure the coach drop off is clear to enable buses to drop off safely.

Dress

Students do not need to wear uniform for this trip.

Food

Students will require a **packed lunch** and a **drink** during the day. Please ensure that any drink is carried in a safe container. Packed lunches can be provided for children who would normally receive free school lunches.

Money

Students may take a small amount of money if they wish to do so. This is completely at your discretion. Students will be responsible for their own money.

Additional Equipment

Mobile phones can be brought if your child needs to contact you at the end of the day to arrange collection. However, the school **accepts no responsibility for their loss or damage.**

Medical

The journey to the NEC is approximately 90 minutes. Students who are prone to travel sickness must ensure they seat themselves towards the front of the coach whilst those who take any form of medication must make the necessary arrangements before the trip and notify the teachers so that any medication can be administered safely. If any students have special **medical needs** then they must ensure that they have all that they require with them, this includes inhalers, medicines and epi-pens.
