October 2018

Dear Parents/Carers

GCSE Revision Guides

To support your son/daughter's learning in their GCSE's we would like to offer the opportunity to purchase revision guides with revision activities that will help your child prepare for their exams. Our exam boards have produced revision guides for the new 9-1 GCSE courses. Buying the revision guides through school will allow you to receive them at a reduced cost.

We have devised an order form for you to complete and send back in to school with payment. The revision guides will then be ordered and made available for your child to bring home.

Please note the following:

Maths: - Please order either Foundation or Higher books.

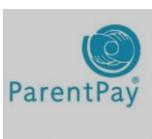

Science: - Please order either Combined Science books or Individual Science Books (Triple Science Students only)

Scientific calculators and other exam equipment can be purchased from school at break and lunch times.

Please note – Revision Guide orders will only be available once per term, therefore the next opportunity to order through the school will be March 2019.

Please return the order form with your payment to the school office by: **Monday 19th November 2018**

We would be grateful if you could make payment using ParentPay, which is our preferred method of payment.

Please log onto ParentPay using your unique username and password to make your payment by **Monday 19th November 2018**
If you are paying via Parent Pay please ensure you pay the exact total amount as specified on your order form.

Alternatively, payment can be made by cash or cheque, cheques are to be made payable to "The Roundhill Academy"

Yours Sincerely

A handwritten signature in black ink that reads 'Stuart Hindes'.
