Non-Uniform Reward Days

Dear Parent/Carer

This year the arrangements for non-school uniform reward days have changed and we wish to inform you of the new details.

If your child has achieved 100 positive points in a 10 week block they are allowed to come to school in non-uniform which is appropriate, e.g. no crop tops, short skirts or anything that is not appropriate for a school environment.

Your child will be informed by their tutor in sufficient time for the reward days, (dates below).

As parents, you will be notified by text that your child is permitted to wear non-uniform. If you do not get a communication from school to this effect then your child **must** wear their uniform on (dates below).

This is the planned timeline for non-uniform reward days.

Block ends + Points counted (100)	Tutors inform all students. Text and email to parents for those who have achieved reward	Rewards day (Thursday) Non-uniform day
09.11.18	28.11.18	29.11.19
25.01.19	13.02.19	14.02.19
12.04.19	08.05.19	09.05.19
05.07.19	10.7.19	11.07.19

If students do not follow this, contact will be made with parents/carers and students will be expected to change in to uniform to enable them to remain in school.

Yours sincerely

A handwritten signature in black ink that reads 'Helen Blythe'.
