September 2018

Dear Parents / Carers

A safe journey to and from school

We would like to take the opportunity to advise parents, carers, students and anyone involved in supporting our students to and from school of revised arrangements which will be implemented with effect from **Monday 17th September**.

The Asda Gate

Following on from the improved behaviour of students at the end of the school day, we will allow students to leave via the path at the rear of the school site from Monday. We will however, continue to monitor feedback from the community of our students' behaviour in and around the Asda store at this time of day.

The School Site

NO vehicles are allowed on site at the beginning OR the end of the school day, unless with the express prior agreement of the school e.g. for medical reasons.

School Overflow Car Park (adjacent the school site on Melton Road)

In the morning if dropping off by car, parents are able to use the Overflow Car Park, from where students may safely access the school site by crossing the bridge.

At the end of the school day, with effect from Monday 17th September, this car park will again be used exclusively for students who travel to and from school using the school bus. The car park will therefore be closed to all other vehicles from 2.45 pm until 3.30 pm.

If you collect your child by car, we would recommend you use the school pick up point located at the rear of Asda.

Melton Road

Please do not drop students off at the school gate or by parking close by on Melton Road. We are mindful that we want to maintain the good relationship we have with our close neighbours and other Melton Road residents.

Thank you for supporting our students have a safe journey to and from school.

A handwritten signature in blue ink, appearing to read 'J. Tickle'.
